WE ARE REO GROUP

Reo Group was launched in 2010 with a vision of leading change for people through people.

Our team have placed more than 5,000 people in roles over the last decade. 98% of our permanent placements remain in place for more than two years, and 90% of temp roles are placed within 48 hours. These results boil down to understanding our clients and truly knowing our candidates - to a scientific approach to recruitment.

Our services spread across our teams with expertise in a range of professional disciplines including:

- Accounting & Finance
- Business Services
- Human Resources
- Disruptive Technology
- Data & Analytics
- Executive Search
- Financial Services and Insurance

We help our clients build their power to make an impact by attracting, selecting and retaining the right temporary, permanent and executive talent.

REO GROUP TECHNOLOGY

The technological evolution is happening at lightning speed, presenting ongoing challenges to organisations as they seek to maintain pace with progress in the digital landscape. New skills are continually emerging alongside these changes, bringing unique challenges in recruitment as the traditional technology roles evolve to include highly sought-after and specialised expertise that can be hard to unearth.

Reo Group's Technology business partners with organisations looking to capitalise on the opportunities that disruptive and emerging technologies present. Our consultants have extensive industry knowledge and a broad

network of emerging tech specialists, allowing us to uncover the hidden talent you need to transform your team.

Using our unique Evidence Based Recruitment™ method we take an in depth look at your existing talent and team structure to identify the attributes you need in your next hire, both the specific skill sets required and also the cultural fit. This agreed needs map provides a blueprint against which we develop a 360 degree view of candidates, providing the insights you need to make the right hire for your team.

JOEL ADAMS

EXECUTIVE DIRECTOR
COMMERCE & INDUSTRY

BIO

With over 13 years' experience in the recruitment industry Joel still gets excited each day that he can make a difference in peoples' careers. Joel is passionate about empowering people and helping his candidates realise their full potential.

For his clients he truly believes he can improve the performance of your business or team by partnering with you and ensuring that together you adopt the best recruitment strategy for the situation. To achieve this Joel takes the time to understand your needs and the candidate's motivations to ensure the right fit is found.

Recruitment cannot take a one size fits all approach - each engagement is unique and Joel's approach will adapt accordingly. As Joel approaches the milestone of being involved in 1000 professional placements across the Sydney market there are no scenarios he hasn't seen before. It is this experience that both

Joel's candidates and clients benefit from when partnering with him. Additionally a network that has been built over 13 years in this market means Joel can access a wide range of talent that others in the market simply cannot.

ALEXANDER WHITTING

TALENT PARTNER

BIO

Alex is a highly driven recruiter, focused on providing the highest level of service to his clients and candidates and to achieving optimal outcomes for both parties.

His background as a successful swimmer at national level has provided a solid foundation for Alex's career. The dedication he applied to his training and his approach to competition have cemented an excellent work ethic and Alex consistently ensures he goes the extra mile to get results.

Going on to coach swimming with the City of Sydney and the Sydney Grammar School sparked the passion for investing in people and their stories and the ability to now translate those coaching skills to his work as a recruiter. In tandem with his work week Alex is also working towards a degree in Psychology, giving him further insights that add significant value in the talent search space.

Alex brings aptitude, behavioural insights, a positive attitude and a healthy competitive drive to his role at Reo Group. He makes a strong talent partner in finding the right fit for your team.

TESTIMONIALS:

I would like to express a big thank you to Reo Group, in particular to Anmol Singh with whom I had a pleasure to work when looking for a new job. Anmol was extremely professional and supportive, always making sure that I understood each step of the recruitment process and the job specifications. He was very helpful and understanding.

- Candidate

Joel is a pleasure to work with, he fully briefs you in relation to opportunities and makes the process smooth from start to finish!

- Candidate

Anmol was amazing through the whole application process. Talking through the details with him was as easy as talking to my friends. He made sure I was always aware of how my application was going and consistently followed up if needed. He's provided the best experience I've had to date with any recruiter.

- Candidate

Joel is a professional talent search executive who understands his candidate's career path and inspirations. He has taken the time to know and understand what my career goals and inspirations are and is working collaboratively for me to be successful in achieving them. Thank you for the last 15 years of guidance, job market insights and the support, both as a candidate and client.
