## BIO

CEO of talent agency Reo Group, Author, and Industry Authority, Stella Petrou Concha is a recognised Australian entrepreneur and influencer in the leadership and people development sphere.

Commencing a career in medicine, Stella quickly realised the medico patient care dynamic was never going to meet her need and lifelong goal to help people on a deeply personal level. Instead, she discovered a powerful alignment with the recruitment and human capital consulting sector. Stella Co-Founded award-winning Reo Group in 2009, was named as one of Australia's Top 10 Female Entrepreneurs in 2018, Chairs CEO consortiums and is an advisor to many C-Suite Professionals & Executives. Stella sits on the Industry Advisory Board for the University of Technology Transdisciplinary School of Creative Intelligence & Strategic Innovation. She consults with many business schools and is a strategic advisor to industry Boards and Multinationals.

In her role as the Chief Executive of talent search firm Reo Group, Stella works with Boards, C-Suite and Senior Managers as an Executive Search Partner placing highly skilled and purpose-led Executives.

As an INSEAD alumna and published author of “Stone Heart Light Heart, The Intelligence of Self Mastery”, Stella is a respected thought leader, Business School guest lecturer and leadership authority in human development across the talent life cycle from the University classroom to the Executive Boardroom.

Stella brings a unique and powerfully human perspective to talent attraction, retention and career development. Her authenticity and candid approach make Stella an accessible and relatable voice of authority in this space.
