

MOHANNA WATSON

SEARCH PARTNER - FINANCE & ACCOUNTING

ENSURING
THE PERFECT
MATCH FOR YOU

BIO

Mohanna has a wealth of industry experience which enables her to easily see things from the perspective of her candidates and clients. She specialises across all qualified finance roles, ranging from Assistant Accountants to Senior Financial Accountants and Finance Managers.

Mohanna's key talents lie in her ability to curate specialist teams. She is an expert at candidate care and truly gets to know the job seekers she works with, which enables her to perfectly match people with roles that align with them.

One of her major achievements includes building out the treasury team for a major Australian financial services organisation.

Amongst other qualifications, Mohanna holds a certification in Human Resource Management from RMIT University, which has been an excellent foundation in building successful teams throughout her career.

Mohanna is driven by the power of people to create change and value. She

is passionate about leading change for people, through people, and provides an essential link in matching amazing talent to thriving businesses.

When you partner with Mohanna you have a dedicated, industry trained professional with an outstanding ability to listen to and interpret your needs. Friendly and approachable, she prioritises cultural fit alongside technical abilities for a role and is adept at drawing out the competencies of candidates to ensure the right match for your team.
