

MONICA CASAMENTO

BUSINESS LEAD - GROWTH

“**TODAY IS YOUR OPPORTUNITY TO BUILD THE TOMORROW YOU WANT**”

BIO

Monica is deeply passionate about leading change for people through people and takes pride in building long term relationships founded in trust. She specialises in recruitment across qualified finance, covering roles including Assistant Accountant, Senior Financial Accountant, Senior Management Accountant, Senior Commercial Analyst, FP&A Analyst, and Finance Business Partner.

Renowned for her strong work ethic, drive and determination to go the extra mile for her customers, Monica is a reliable recruitment partner who consistently delivers. Her skills lie in her ability to holistically work on long-term, organisation-wide solutions with the businesses that she partners with.

Monica's approach to every mandate is driven by factual data. Her evidence-based approach eliminates bias from the selection process and assists her clients in building diverse, inclusive, and expert teams.

Building rapport and connecting with clients on a deeper level has been

Monica's driving power throughout her successful tenured career. This, alongside her strong customer service skills and strict attention to detail, speaks to her mantra; today is your opportunity to build the tomorrow you want.

Monica takes a meticulous and methodical approach to each role she takes on, setting the bar high with the level of transparency and trust she builds with every client and candidate she works with.
