BIO

With over a decade of experience spanning the diverse markets of New Zealand, India, and now Australia – Lizanne specialises in recruitment across Finance and Accounting. Her passion lies in temporary recruitment, where she thrives on collaborating with hiring managers to identify how temporary staff can effectively address immediate staffing needs and add value to their teams.

Lizanne takes pride in her ability to connect with people on a personal level, enabling her to understand their unique challenges and needs. Relationship-focused and proactive, she believes that the heart of every successful business is its people. She is committed to fostering strong relationships that prioritise the wellbeing and development of individuals, as she firmly believes

that people are the most valuable asset any organisation can invest in.

Her core values are rooted in transparency and ethical practices, ensuring that she always upholds the highest standards in her work. Lizanne strives to make impacts through meaningful contributions and help businesses thrive through the power of great people.
