BIO

Kahli is a highly skilled recruiter specialising in the Business Support sector, where she applies her deep and comprehensive understanding of client and candidate needs to provide a highly tailored recruitment experience. With a commitment to ethical values and transparency, Kahli ensures that each interaction fosters trust, respect, and genuine connection. Her approach places people at the heart of the process, making her an invaluable partner for those navigating the next stages of their careers or looking to expand their teams.

Kahli’s career journey is enriched by diverse, hands-on experience as a Personal Assistant and in hospitality management, where she excelled in fast-paced, high-pressure environments. This background, in addition to her recruitment experience, has

provided her with unique insights into the dynamics of both candidate and client needs, and developed her quick problem-solving skills and adaptability, equipping her to handle the recruitment market with empathy and insight.

Outside of work, Kahli channels her creativity by organising children’s birthday parties, where she entertains with face painting, singing, and dancing.
