

CORINE DUKE

BUSINESS LEAD -
SUPPLY CHAIN & OPERATIONS

“DO THE
RIGHT THING
EVEN WHEN
NO ONE IS
LOOKING”

BIO

Corine brings over a decade of recruitment expertise to the table, underpinned by a strong ethos of integrity and authenticity. Born and raised in Western Sydney, she is deeply committed to reshaping recruitment experiences, empowering individuals, and forging lasting connections.

Corine has extensive experience across industries such as FMCG, Pharmaceutical, Animal Health, Contract Manufacturing, Warehousing, Defence, Engineering, and Automation. Her track record speaks volumes, demonstrating her ability to navigate the complexities of these sectors with finesse.

As an expert in supply chain and operations recruitment, Corine specialises in strategic, technical and operational roles critical to organisational success. She places professionals in key roles across Operations, Supply Chain, Health & Safety, Quality, Risk & Compliance, Technical, and Engineering. She excels in End-to-End Supply Chain functions, encompassing Planning, Scheduling, Inventory & Procurement.

Corine is deeply involved in driving Environmental, Social, and Governance (ESG) initiatives within organisations. She excels in placing professionals with expertise in Sustainability and Environmental Management, and filling strategic roles including Continuous Improvement, Change Management, Lean Practices, and Optimisation, ensuring that she delivers end-to-end recruitment solutions that surpass expectations.

Leveraging a strategic blend of values, authentic connections, unwavering transparency, and data-driven insights, Corine continually redefines recruitment norms to deliver tangible value to her clients and candidates alike.
