

SHIVAANY RAMACHANDRAN

SEARCH PARTNER
- BUSINESS SUPPORT

“**FOCUSING
ON HUMAN
CONNECTION**”

BIO

Shivaany is a dedicated and experienced recruiter specialising in the business support space, with a strong track record of delivering strategic talent solutions across a range of industries. Her expertise spans customer service, sales support, administration, PA/EA roles, logistics coordination, project coordination, and transport allocation. With a background that includes working within the logistics, transport, and manufacturing sectors, Shivaany has honed her ability to support businesses of all sizes, from SMEs to global enterprises, by identifying and securing exceptional talent.

Central to Shivaany's recruitment philosophy is her unwavering belief in the power of human connection. Shivaany forges meaningful relationships that ensure successful placements and lasting partnerships. Her commitment to this approach is evident in her outstanding retention rates, with the majority of her placements thriving

in their roles for over two years.

Passionate about fostering diverse and inclusive workplaces, Shivaany champions the importance of representation in driving innovation and long-term success. She believes that teams built on diversity bring unique perspectives and strengths, enabling businesses to adapt and grow in an ever-changing landscape. Shivaany's dedication to creating impactful connections and promoting equitable opportunities makes her a trusted partner for organisations seeking to build strong, future-focused teams.
