

PRIYANKA GOGIA

DIRECTOR - TECHNOLOGY &
TRANSFORMATION

“**CREATING
VALUE
MORE THAN
RECRUITMENT**”

BIO

Priyanka is a highly skilled recruiter with over five years of experience specialising in Project Services and Transformation recruitment across both temporary and permanent roles. She has successfully placed professionals ranging from Program Directors and Project Managers to Business Analysts, Change Managers, Data Analysts, Data Engineers, and Data Governance specialists. Her deep understanding of these disciplines enables her to identify the right talent with precision, ensuring both technical capability and cultural alignment.

With an MBA and background in Marketing, Priyanka's unique blend of expertise allows her to take a consultative, knowledge-driven approach, helping clients and candidates navigate beyond job descriptions to find the right long-term fit.

She believes that great recruitment is about understanding what isn't written on paper and creating value beyond the hiring process. She takes the time to listen, advise, and add value at every stage of the hiring journey, ensuring lasting success for both clients and candidates.

Outside of work, Priyanka finds balance through meditation, especially in nature.
